Public Notice

The revenue of water supply in the Ponda Taluka is being presently collected by the Bill Collectors at the door step of the consumers.

Presently with the enormous increase in the water supply connections spread over the entire Ponda Taluka, and in view of sizeable financial implications involved, it is not practically feasible to continue with the present domiciliary system of revenue collection.

As such, it is felt necessary to introduce the Bradma Billing System also in the Ponda Taluka.

In accordance to the amended Article 62 of the Water Supply Bye-Laws, the bill of water charges shall now be

payable by the customer at the Counter of the P.W.D. provided in the premises of the Sub-Division IV, PWD, Bldg., Ponda-Goa on or before the due date of payment specified in the bill.

Default charges of one per cent of the amount of the bill shall be recovered from the customer if he/she fails to pay the bill on or before the due date. The consumer will however be eligible for a grace period of 7 days, effective from the due date to pay the bill with default charges, after which the water connection will be liable for disconnection.

The representative of Water Supply Department shall visit the house of the customer once in a month to record the readings and deliver the bill.

Misplacement or non-receipt of the bill shall not be considered as a valid reason for delaying the payment and/or for waiving of the additional charges recoverable from the consumer as per Rules.

The Bradma Billing System will come into effect from 1-7-1984 in the Ponda Taluka. The public in general and the consumers in particular, in Ponda Taluka may take note of this change of Water Supply Billing System.
